(i.e., persons related to the owner by marriage, domestic partnership, or direct lineal relationship such as parents, children, grandchildren and grandparents), with or without payment of rent or other consideration to the owner.

REMINDER: As addressed in Section C below, the rental cap will not apply to prevent any owners who were on title before the 25% was imposed on January 3, 2022, to rent those lots. Those rentals will be used to calculate the total number of rentals at a given time in the community but owners on title prior to the imposition of the cap will not be prohibited from engaging in rentals as a result of the cap. The 25% cap will apply to all owners on title to lots after January 3, 2022.

- a. Waiting List. Once twenty-five percent (25%) of the lots become rentals, the Board shall establish a waiting list to permit other owners who have a genuine intent to rent their lots to have the opportunity to do so, who shall be entitled to priority on a first-come, first-served basis. Once any rental lot ceases to be a rental as provided herein, the owner entitled to priority on the waiting list shall be permitted to rent his or her lot, unless the owner having such priority is not ready, willing or able to do so at that time, in the reasonable judgment of the Board, in which case the owner may remain on the waiting list but shall lose priority over any other owners on the waiting list at that time.
- b. Terminating Rental Lot Status. A rental shall not lose its status as a rental solely by virtue of the fact that a particular tenancy terminates, and any owner who leases his or her lot in compliance with the governing documents may continue to lease the rental, unless and until any of the following events occurs:
 1. The owner sells or otherwise transfers title to the lot, except for transfers allowed by Civil Code Section 4740;
 2. The owner, or his or her immediate family member(s), resume occupancy of the lot, or
 3. Upon the expiration of one (1) year following the termination of a rental tenancy, unless (a) the owner has re-let the lot within that period, (b) no other owners are currently on any waiting list to lease before such time as the owner is able to secure a new tenant, or (c) the owner was unable to re-let the rental by circumstances beyond his or her control, expresses a genuine intent to continue leasing the lot, and the Board grants an exception as described below.
- c. Exemptions and Exceptions. Any owner whose title predates the date of recording of this provision shall be exempt from compliance with any provisions hereof that prohibit rental of his or her lot.

Furthermore, the Board may, in its sole and reasonable discretion, allow exceptions to any requirement(s) of this section based upon death, illness, or dire emergency

LVA Rules and Regulations

rendering an owner unable to occupy his or her lot, or in order to overcome practical difficulties, avoid unnecessary expense or prevent unnecessary hardships. Any request for such an exception shall be in writing, and shall include all relevant explanation and/or documentation of the circumstances supporting the request. The Board shall follow the procedures for notice and hearing described in Civil Code Section 5855 or any comparable or superseding law, when considering the request. Any decision on such a request shall be documented in writing, either in the minutes of a meeting or by formal resolution. If the Board does not respond in writing within sixty (60) days of any such request, the request shall be deemed denied. If the Board grants such an exception, no violation of the governing documents shall be deemed to have occurred, but no exception to any particular requirement hereof shall not be deemed to waive any of the remaining terms hereof.

ARTICLE XXI — RESIDENTIAL AGE RESTRICTIONS

21.01 AGE RESTRICTIONS

Leisure Village is a deed restricted, age restricted, and retirement community. California State law permits and the restrictions require that residency be limited according to the following provisions. It is the policy of Leisure Village Association to strictly enforce the residential age restrictions.

21.02 FEDERAL FAIR HOUSING ACT

- a. The 1988 Federal Fair Housing Act, which took effect March 12, 1989, requires additional verification of age. Therefore, one of the following documents, showing date of birth, will be required for copying and placement in the resident's file:
 - Driver's License
 - Birth Certificate
 - Baptismal Certificate
 - Other government document showing date of birth
- b. For those who were residents of the Village prior to March 12, 1989, the requirement will be met when they sign the LVA Age Verification Statement, which declares that at least one resident is 55 years of age or older.

21.03 PERMISSIBLE OCCUPANT

"Permissible Occupant" means a person who has attained the age of 55 years or older. "Qualified Permanent Resident" means a person who meets both of the following requirements:

- a. Was actually residing with the permissible resident prior to the death, hospitalization, or other prolonged absence of, or the dissolution of marriage with, the permissible resident.

A person shall not be considered to have a disabling condition, illness or injury merely because such person is unable to fully care for them self as a result of their minority age. For any person who is a qualified permanent resident under this Paragraph c. whose disabling condition ends, the Board of Directors may require the formerly disabled resident to cease residing in the development upon receipt of six months' written notice; provided, however, that the Board of Directors may allow the person to remain a resident for up to one year after the disabling condition ends. The Board of Directors may take action to prohibit or terminate occupancy by a person who is a qualified permanent resident under this Paragraph c. if the Board of Directors finds, based on credible and objective evidence, that the person is likely to pose a significant threat to the health or safety of others that cannot be ameliorated by means of a reasonable accommodation; provided, however, that the action to prohibit or terminate the occupancy may be taken only after doing both of the following:

Providing reasonable notice to and an opportunity to be heard for the disabled person whose occupancy is being challenged, and reasonable notice to the co-resident parent or grandparent of that person.

Giving due consideration to the relevant, credible, and objective information provided in the hearing. The evidence shall be taken and held in a confidential manner in an executive session of the Board of Directors in order to preserve the privacy of the affected persons. 21.04 QUALIFIED PERMANENT OCCUPANT

At least one (1) resident of each dwelling unit shall be a permissible occupant. All other residents of each dwelling unit shall be qualified permanent occupants.
